

Environmental labels and declarations — Type III environmental declarations — Principles and procedures

ICS 13.020.50

National foreword

This British Standard is the UK implementation of EN ISO 14025:2010. It is identical to ISO 14025:2006. It supersedes BS ISO 14025:2006 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee SES/1, Environmental management, to Subcommittee SES/1/3, Environmental labels and declarations.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2006
