Textiles — Determination of water absorption time and water absorption capacity of textile fabrics

National foreword

This British Standard is the UK implementation of [ISO 20158:2018](#).

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Physical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
