BSI Standards Publication

Information technology — Biometric presentation attack detection

Part 4: Profile for testing of mobile devices

bsi.

National foreword

This British Standard is the UK implementation of ISO/IEC 30107-4:2020.

The UK participation in its preparation was entrusted to Technical Committee IST/44/-/3, Biometric data interchange formats.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
