National foreword

This British Standard has been prepared by Technical Committee GEL/3. It is the English language version of EN 60617-3:1996, *Graphical symbols for diagrams Part 3: Conductors and connecting devices*, published by the European Committee for Electrotechnical Standardization (CENELEC). It is identical with IEC 617-3:1996 published by the International Electrotechnical Commission (IEC).

This British Standard replaces BS 3939-3:1985 which is withdrawn.

NOTE The French language version of the alphabetic index has not been included in this standard. A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
