# Thermal insulating products for building applications — Determination of compression behaviour

**National foreword**

This British Standard is the UK implementation of EN 826:2013. It supersedes BS EN 826:1996, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/540, Energy performance of materials components and buildings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
