National foreword

This British Standard has been prepared under the direction of the Sector Board for Construction and Materials and is the English language version of ISO 5084:1996 *Textiles — Determination of thickness of textiles and textile products* published by the European Committee for Standardization (CEN). It is identical with ISO 5084:1996 published by the International Organization for Standardization (ISO). It supersedes BS 2544:1987 which is withdrawn.

Cross-references

Publication referred to	Corresponding British Standard
EN 20139:1992 (ISO 139:1973)	BS EN 20139:1992 <i>Textiles. Standard atmospheres for conditioning and testing</i> BS EN 30012 <i>Quality assurance requirements for measuring equipment</i>
