

Protective clothing — Protection against liquid chemicals — Test method for resistance of materials to penetration by liquids

The European Standard EN ISO 6530:2005 has the status of a British Standard

ICS 13.340.10

National foreword

This British Standard is the official English language version of EN ISO 6530:2005. It is identical with ISO 6530:2005. It supersedes BS EN 368:1993, which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee PH/3, Protective clothing, to Subcommittee PH/3/3, Protective clothing against chemicals and radioactive contamination, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
