Organization and digitization of information about buildings and civil engineering works, including building information modelling (BIM) — Information management using building information modelling

Part 5: Security-minded approach to information management

National foreword

This British Standard is the UK implementation of EN ISO 19650-5:2020. It is identical to ISO 19650-5:2020.

The technical content of this BS EN ISO 19650-5 is intended as a replacement for content found in PAS 1192-5:2015. PAS 1192-5:2015 has been withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/555, Construction design, modelling and data exchange.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
