

BSI Standards Publication

Biorisk management for laboratories and other related organisations

National foreword

This British Standard is the UK implementation of ISO 35001:2019.

The UK participation in its preparation was entrusted to Technical Committee CH/212, IVDs.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
