

BSI Standards Publication

Innovation management — Tools and methods for intellectual property management — Guidance

BS ISO 56005:2020 BRITISH STANDARD

National foreword

This British Standard is the UK implementation of ISO 56005:2020.

The UK participation in its preparation was entrusted to Technical Committee IMS/1, Innovation management.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
