National foreword

This document (ISO/IEC 17788:2014) has been prepared by Joint Technical Committee ISO/IEC JTC 1 “Information technology”, Subcommittee SC 38 “Distributed application platforms and services”, in collaboration with ITU-T. The responsible German body involved in its preparation was *DIN-Normenausschuss Informationstechnik und Anwendungen* (DIN Standards Committee Information Technology and selected IT Applications), Working Committee NA 043-01-38 AA *Verteilte Anwendungsplattformen und Dienste*.

This standard provides an overview of cloud computing along with a set of terms and definitions.

Attention is drawn to the possibility that some elements of this document may be the subject of patent rights. DIN shall not be held responsible for identifying any or all such patent rights.

National Annex NA
