ICS 91.060.50; 91.190

English version

Building hardware

**Gaskets and weatherstripping for doors, windows,
shutters and curtain walling**

Part 2: Deflection recovery test method

Quinçailerie pour le bâtiment – Profiles d'étanchéité de vitrage et entre ouvrant et dormant pour portes, fenêtres, fermetures et façades rideaux – Partie 3: Méthode d'essai pour déterminer la reprise élastique

Baubeschläge – Dichtungen und Dichtungsprofile für Fenster, Türen und andere Abschlüsse sowie vorgehängte Fassaden – Teil 3: Rückstellvermögen, Prüfverfahren

This European Standard was approved by CEN on 2003-08-01.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, the Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland, and the United Kingdom.
