

**DIN EN 1365-2****DIN**

ICS 13.220.50; 91.060.20; 91.060.30

Supersedes  
DIN EN 1365-2:2000-02**Fire resistance tests for loadbearing elements –  
Part 2: Floors and roofs;  
English version EN 1365-2:2014,  
English translation of DIN EN 1365-2:2015-02**

Feuerwiderstandsprüfungen für tragende Bauteile –  
Teil 2: Decken und Dächer;  
Englische Fassung EN 1365-2:2014,  
Englische Übersetzung von DIN EN 1365-2:2015-02

Essais de résistance au feu des éléments porteurs –  
Partie 2: Planchers et toitures;  
Version anglaise EN 1365-2:2014,  
Traduction anglaise de DIN EN 1365-2:2015-02

Document comprises 30 pages

Translation by DIN-Sprachendienst.  
In case of doubt, the German-language original shall be considered authoritative.

A comma is used as the decimal marker.

## National foreword

This document (EN 1365-2:2014) has been prepared by Technical Committee CEN/TC 127 "Fire safety in buildings" (Secretariat: BSI, United Kingdom).

The responsible German body involved in its preparation was the *DIN-Normenausschuss Bauwesen* (DIN Standards Committee Building and Civil Engineering), Working Committee NA 005-52-02 AA *Brandverhalten von Baustoffen und Bauteilen — Bauteile*.

### Amendments

This standard differs from DIN EN 1365-2:2000-02 as follows:

- a) Clause 2 "Normative references" has been updated;
- b) Clause 3 "Terms, definitions, symbols and designations" has been updated;
- c) Clause 5 "Test conditions" and Clause 6 "Test specimen" have been revised;
- d) Clause 9 "Application of instrumentation" has been revised;
- e) Clause 12 "Test report" has been supplemented;
- f) Clause 13 "Field of direct application of test results for constructions without glazing" has been revised and supplemented;
- g) Figure 1 has been modified;
- h) Annex A "Specific requirements for testing floor and roof constructions incorporating glazing" has been revised and supplemented.

This European Standard was approved by CEN on 27 September 2014.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
