COMMITTEE REPRESENTATION

This standard was prepared under the supervision of the Transportation Technology Sectional Committee (54) for the Standards Council, established under the Standards Act 1965. The Committee consisted of representatives of the following:

Chartered Institute of Transport

Department of Scientific and Industrial Research

*Ministry of Transport

Motor Vehicle Manufacturers Association

New Zealand Automobile Association

New Zealand Automotive and Cycle Wholesalers Association

*New Zealand Government Railways Department

New Zealand Institution of Engineers

New Zealand Motor Body Builders Association.

The Traffic Signals Subcommittee (2/4/1) was responsible for the preparation of this standard, and consisted of representatives of the following organizations in addition to those marked with an asterisk (*) above:

Municipal Association of New Zealand National Roads Board (Ministry of Works) New Zealand Manufacturers Federation.
