

UL 514D

STANDARD FOR SAFETY

Cover Plates for Flush-Mounted Wiring Devices

UL Standard for Safety for Cover Plates for Flush-Mounted Wiring Devices, UL 514D

Second Edition, Dated June 28, 2013

Summary of Topics

This revision of ANSI/UL 514D dated May 15, 2020 includes Illuminating Cover Plates for Flush-Mounted Wiring Devices for Canada Only; [B.3.5](#), [B.3.6](#).

Text that has been changed in any manner or impacted by UL's electronic publishing system is marked with a vertical line in the margin.

The requirements are substantially in accordance with Proposal(s) on this subject dated April 5, 2019.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of UL.

UL provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if UL or an authorized UL representative has been advised of the possibility of such damage. In no event shall UL's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold UL harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

Commitment for Amendments

This standard is issued jointly by the Canadian Standards Association (operating as “CSA Group”) and Underwriters Laboratories Inc. (UL). Comments or proposals for revisions on any part of the standard may be submitted to CSA Group or UL at anytime. Revisions to this standard will be made only after processing according to the standards development procedures of CSA Group and UL. CSA Group and UL will issue revisions to this standard by means of a new edition or revised or additional pages bearing their date of issue.

All rights reserved. No part of this publication may be reproduced in any form whatsoever without the prior permission of the publisher.

This Standard is subject to review within five years from the date of publication, and suggestions for its improvement will be referred to the appropriate committee. To submit a proposal for change, please send the following information to inquiries@csagroup.org and include "Proposal for change" in the subject line: Standard designation (number); relevant clause, table, and/or figure number; wording of the proposed change; and rationale for the change.

To purchase CSA Group Standards and related publications, visit CSA Group's Online Store at store.csagroup.org or call toll-free 1-800-463-6727 or 416-747-4044.

UL's Standards for Safety are copyrighted by UL. Neither a printed nor electronic copy of a Standard should be altered in any way. All of UL's Standards and all copyrights, ownerships, and rights regarding those Standards shall remain the sole and exclusive property of UL.

This UL Standard for Safety consists of the Second Edition including revisions through May 15, 2020. The most recent designation of ANSI/UL 514D as an American National Standard (ANSI) occurred on March 4, 2016. ANSI approval for a standard does not include the Cover Page, Transmittal Pages, Title Page (front and back), Preface and paragraphs B.3.5 and B.3.6.

Comments or proposals for revisions on any part of the Standard may be submitted to UL at any time. Proposals should be submitted via a Proposal Request in UL's On-Line Collaborative Standards Development System (CSDS) at <https://csds.ul.com>.

To purchase UL Standards, visit UL's Standards Sales Site at <http://www.shopulstandards.com/HowToOrder.aspx> or call toll-free 1-888-853-3503.

CONTENTS

Preface	5
1 Scope	7
2 Normative References	7
3 Terms and Definitions	10
4 General Requirements	11
5 Marking and Instructions	11
5.1 General marking	11
5.2 Marking for gaskets intended for use with cover plates in dry locations to reduce the flow of environmental air	12
5.3 Markings for cover plates and outlet-box hoods for use in wet and damp locations	12
5.4 Markings for marine use	13
5.5 General installation instructions	13
6 Metallic Cover Plates and Outlet Box Hoods	13
6.1 General	13
6.2 Corrosion protection	14
6.3 Bonding	17
7 Nonmetallic cover plates and outlet box hoods	17
7.1 General	17
7.2 Relative thermal index	18
7.3 Resistance to ignition tests for cover plates	18
7.4 Dielectric voltage-withstand test for cover plates	18
7.5 Flame penetration for cover plates	19
7.6 Flammability	19
7.7 Aging	20
7.8 Mechanical strength for cover plates	20
7.9 Mold stress relief for dry locations cover plates	21
7.10 Deformation resistance for cover plates	21
8 Wet and Damp Locations	21
8.1 Resistance to moisture	21
8.2 Cycling	26
8.3 Mold stress relief	26
8.4 Sealing compounds	26
8.5 Resistance to ultraviolet light and water	26
8.6 Water absorption	27
8.7 Compression	27
8.8 Cold impact	28
8.9 Impact resistance for outlet box hoods	28
8.10 Hinge stress resistance for outlet box hood assemblies	30
9 Gaskets	31
9.1 Compression set	31
9.2 Hardness	31
9.3 Flammability	31
9.4 Dielectric voltage withstand	32
9.5 Insulation resistance	32
10 Illuminating Cover Plates For Flush-Mounted Wiring Devices	32
11 Marine Use	32
11.1 Watertight	32
11.2 Dripproof	33
11.3 Gaskets – air oven conditioning	33

Annex A (Informative) Minimum sample and specimen quantities for tests

ANNEX B (Normative) Illuminating Cover Plates For Flush-Mounted Wiring Devices

B.1	General	48
B.2	Reference Standards	48
B.3	Construction	48
B.4	Markings and Installation Instructions	49

Annex C (Normative) Tamper-Resistant Cover Plates

C.1	Scope	50
C.2	Definitions	50
C.3	General	50
C.4	Construction Requirements	50
C.5	Test Method for Tamper-Resistant Cover Plates	51
C.5.1	Probe test	51
C.5.2	Access test	51
C.5.3	Ball-pendulum impact test	51
C.5.4	Mechanical endurance test	52
C.6	Marking for tamper-resistant cover plate	52

Annex D French Translations and Markings

5.2	Marking and instructions	57
5.3	Markings for cover plates and outlet box hoods for use in wet and damp locations	57
5.4	Markings for marine use	57
