Underwriters Laboratories Inc. Standard for Safety

Butterfly Valves for Fire-Protection Service

MAY 12, 2010 – UL 1091 tr1

UL Standard for Safety for Butterfly Valves for Fire-Protection Service, UL 1091

Sixth Edition, Dated June 3, 2004

Summary of Topics

The revisions to UL 1091 are being issued to:

Add Glossary, New Section 4A and Revise 5.1, 5.2, 6.1, 20.3, 21.2, 26.1, and Table 18.1 to Reference NPS or Nominal Pipe Size;

Add Guidelines for Conducting Operating Torque Value Calculations for Butterfly Valves to 20.6, and New Appendix A; and

Make Editorial Changes to Outside Standard References.

Text that has been changed in any manner or impacted by UL's electronic publishing system is marked with a vertical line in the margin. Changes in requirements are marked with a vertical line in the margin and are followed by an effective date note indicating the date of publication or the date on which the changed requirement becomes effective.

The revised requirements are substantially in accordance with Proposal(s) on this subject dated February 19, 2010.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of UL.

UL provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will UL be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if UL or an authorized UL representative has been advised of the possibility of such damage. In no event shall UL's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold UL harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

The requirements in this Standard are now in effect, except for those paragraphs, sections, tables, figures, and/or other elements of the Standard having future effective dates as indicated in the note following the affected item. The prior text for requirements that have been revised and that have a future effective date are located after the Standard, and are preceded by a "SUPERSEDED REQUIREMENTS" notice.
